

# Turner

Thank you whole heartedly for all your efforts and contributions on the Boeing 1A-1B project. You have been a valuable member of our team. Without you, your hard work, dedication, sweat, and smiles this project would not have been able to achieve 90,000 man-hours worked safely without any incidents. Take just a minute to realize how big an accomplishment that really is.

Not only did we complete the project safely, we also finished each phase on or sometimes ahead of schedule, within budget, to a high quality, and without any Boeing complaints! In fact, Boeing was extremely pleased with our performance. Again, thank you for your extra hard work and willingness to comply with safe practices even when it took extra effort and time to comply. Your contributions to the project will not be forgotten. You have set a high standard for others to follow.

We hope you have enjoyed working on the project and with our team. As a note of our gratitude, we would like to present you with this "gift bag." We hope you find it useful and enjoy all its contents.

Best wishes in your future endeavors! We hope to see you with us on another project soon.
